# ACTIVITIES

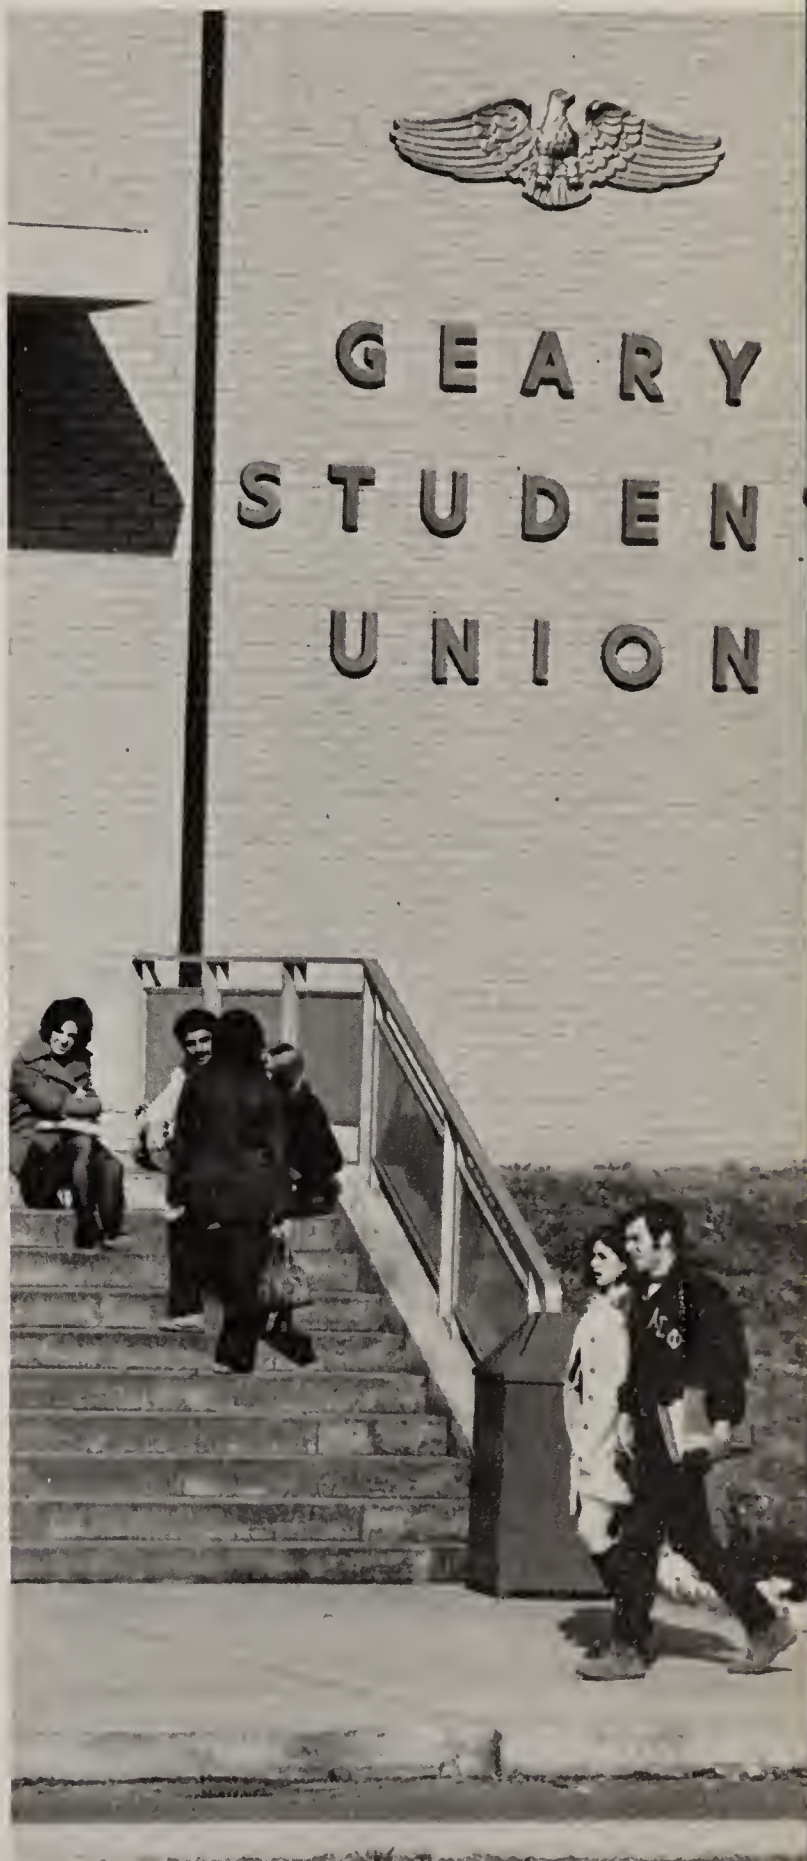

The summer sun sets and fall dawns on another year at M.H.C. Freshmen enter to begin their four years of study; upperclassmen view it as "just another year,—down,—to go"; seniors sadly and happily return with the knowledge that they will soon leave.

The Union steps—frequent gathering place of MoHar students, where one can sit and watch the passing crowd in the noonday sun.

Time out for recreation and outdoor studies are included as students hurry from the C.T. to Rigglesman Hall for class sessions.

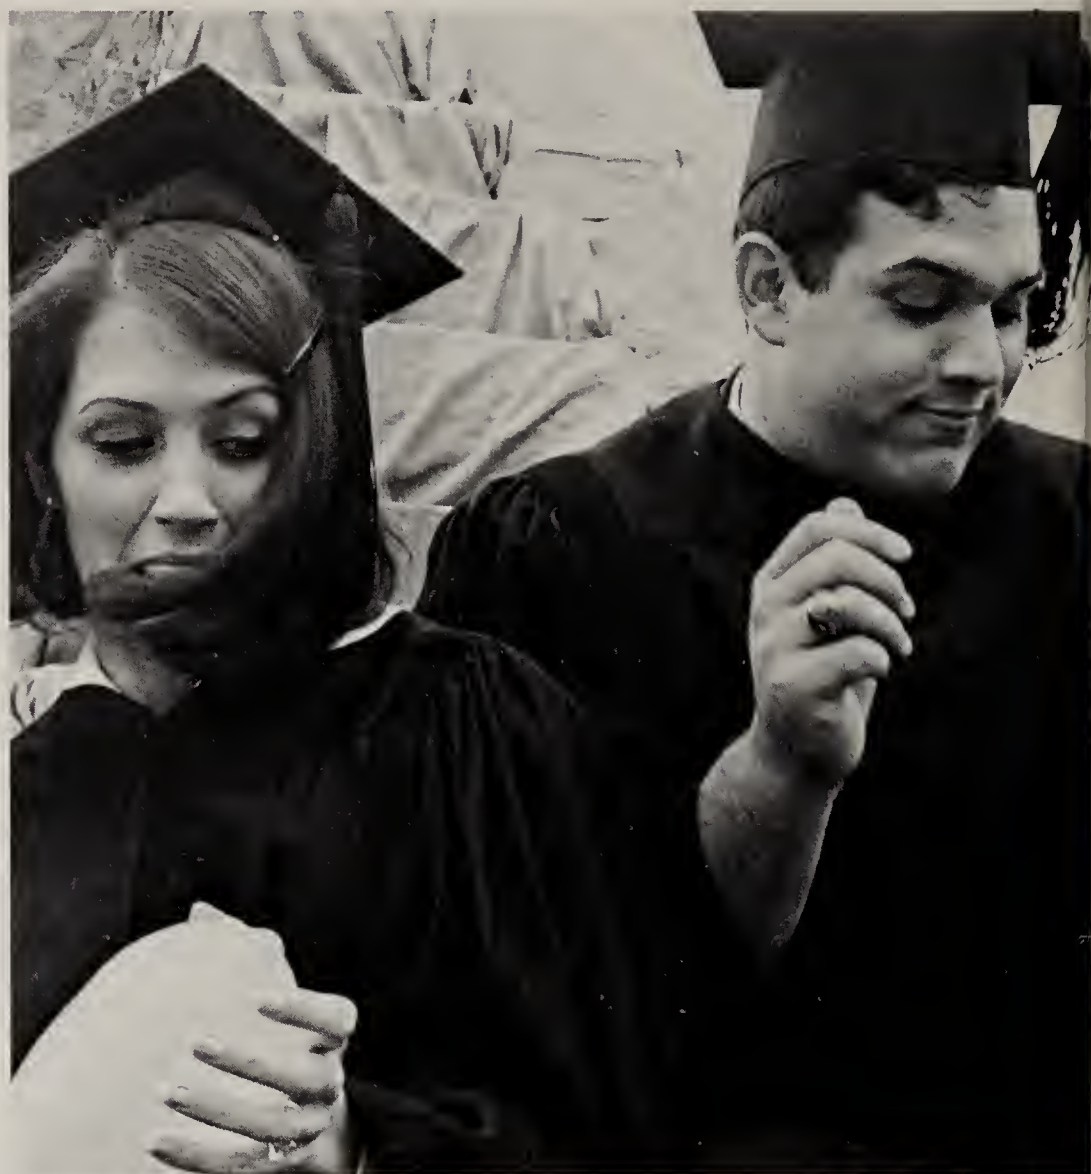

"Go Greek!" Rush parties, decisions, the anticipated bid, pledging, gained friendships, sisterhood and brotherhood all stand for being a Greek and basking in the sun as the ancients of Hellas.

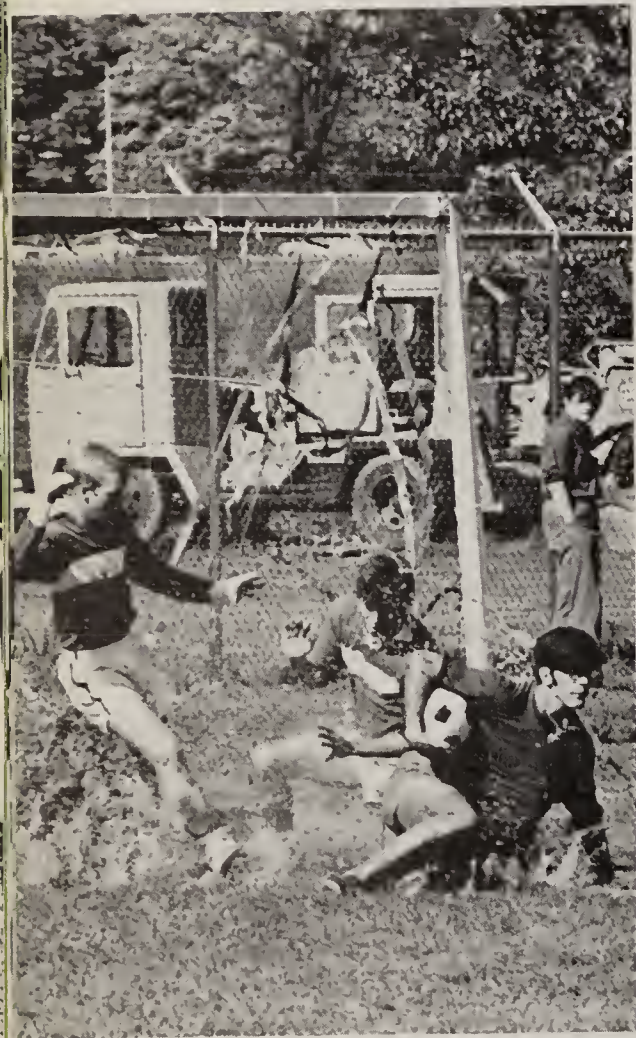

Homecoming: a return visit. Concert in the rain with Little Anthony and the Imperials. Parade of floats and queen candidates in downtown Charleston. A soggy victory over Marietta in the afternoon sun. A princess court and smiles galore as Linda Rust reigns as 1968-69 Homecoming Queen.

Success and joy are mirrored in the face of Mary Conticchio as she wins the Tau Kappa Epsilon choice as 1968-69 Playmate in late October.

Fortune dawns on Caryn Wesner, Barbara Hird and Patty Neger as 12 MH coeds compete for the title of Best Dressed on Friday, December the 13th.

Happiness was having the Saxons entertain in the Attic for a week during the spring doldrums. Dan Goggin and Marvin Solley with their harpsicord and Baroque renditions provided sunshine as the first Coffee House Circuit invaded the campus.

And somewhere in the midst of the crowd, Morris Harvey's own student body shone as they displayed their musical abilities in two top-notched talent shows sponsored by the SGA.

A bit of craziness in the noonday sun? Maybe, but then there are always days when it would be better to stay in bed and avoid the madness.

Excitement and anticipation mount for any girl on her way to a fraternity or sorority spring weekend.

Coonskin or campus, picnic or peck-neck kids  
frolic in the sun trying to catch a few rays.

Fashion trends saw the advent of flowered and striped bell bottoms for guys and gals, minier scooter skirts exposing lengthier legs and a return to the native American for the Indian look.

Greek Week—whatever happened? Although the Greeks were given the chance to glorify themselves in the late March sun, student apathy won out as Greek Week activities folded and left but a shadow of their memory behind.

Apathy? It's debatable!! What should be the traditional pictures of Greek olympics and chariot judging is the group picture of Greeks above. What happened to Greek Week and other campus activities can't be answered here but the question remains ... was it really apathy?

Student apathy momentarily disappeared as May Day celebrations overtook the student body. Queen Carol Dumville and her court watched the entertaining antics of the TKE's. Winners of the competition included the AOPi's and for the unaccounted time in a row, the Theta Xi's, as newly inducted president Mitch Austin took the helm at the dock of the bay.

# OFF-CAMPUS LIFE

Boys have it so easy. Apartment living means ...

Girls, too, enjoyed the freedom of living off campus this year in their own apartments. A first happening for MH coeds, the girls relaxed in the luxury of their own quarters cooking, cleaning, studying and partying.

Married couples find housekeeping no easy task in a city apartment. Studies, recreation and shared household responsibilities all go together in keeping a happy atmosphere to the marriage.

# ACADEMICS

The campus awoke to new activity after a quiet summer as upperclassmen and freshmen alike arrived to witness another academic year. Homecoming highlighted fall sports activities as Linda Rust became queen and the Alpha Sigs and Sig Eps shared honors for float competition. The SGA featured Anthony and the Imperials for the week-end concert.

Gubernatorial candidate James Sprouse spoke on campus prior to local and national elections as students polled results for NBC and witnessed the inauguration of successful state candidate Governor Arch A. Moore. Visiting speakers to the campus included navigator Robert Manry, space scientist Willy Ley, Danforth lecturers A. Henry Detwiler, archeologist, and oceanographer John McLaughlin, and tuned-in Dr. David Smith from the Haight-Ashbury district of San Francisco. The Man In Our Time lecture series featured the thoughts of modern philosophers from Martin Buber to Reinhold Niebuhr. End of the year "turn-on" brought to campus present activist organizations in the U.S. including SDS and the John Birch Society. The SGA presented the student body with the opportunity to talk with college President Marshall Buckalew.

Mid-year completion of the new Physical Education Building encouraged physical activities for all students and faculty alike as the campus plunged further into expansion.

The Saxons entertained for a week in late winter following a variety of student assemblies which included the selection of Best Dressed Coed Caryn Wesner, a special jazz religious service and our own talent shows. Blackfriars produced "Royal Gambit" and "Dark of the Moon." Students, faculty and guests exhibited art works throughout the year as the Photography Club displayed a variety of prints. May Day activities included the coronation of queen Carol Dumville, trophy awards to Theta Xi and Alpha Omicron Pi, and the inauguration of SGA president Mitch Austin.

Final exams brought sunset to the year as 397 seniors graduated for January and May at Commencement exercises with Stair and Holt.

## Panhellenic Council

Among the activities of the Panhellenic Council for the year were the selling of mums and refreshments at Homecoming, an all-Greek Christmas party, a car wash, and the Best Dressed Coed contest and Greek Week in conjunction with the IFC. The annual Panhellenic spring tea took on a new look as sorority members modeled the latest fashions from Risk's. Serving the College and community as well as maintaining standards of good health, scholarship and high ideals for the sororities are all part of the Panhellenic Council.

# AOPI

The sisters of Alpha Omicron Pi began the year modeling fashions from Frankenberger's at their annual fall style show. The social calendar for the AO Pi's included a square dance in the fall, the annual Christmas dinner-dance, the Hawaiian Luau at the formal rush party, picnics, dinners and the Red Rose Ball in the spring. As community service projects the AOPi's donated a Thanksgiving basket to a needy family in Charleston, contributed to United Fund, participated in the Muscular Dystrophy Drive, and hosted a Christmas party for the children at Marmet Hospital. National Traveling Secretary Terry Howard paid a mid-winter visit to the Phi Kappa chapter and several AOPi's went on expansion trips to Salem College and Longwood College in Virginia.

ΑΞΔ

Continued support of a Korean War orphan, contributing arts and crafts materials to the children at Union Mission and participation in the Muscular Dystrophy drive were all part of the service projects of the sisters of Alpha Xi Delta. The Delta Phi chapter at Morris Harvey received the National Quota award for filling their quota three years in a row, and participated as hostesses for the Province Convention in April for all Alpha Xi chapters in West Virginia. An open mix in the fall, the annual Christmas dance and Rose Formal, the Mother-Daughter Banquet in May, a fashion show for the Alums, and a dance in the spring for the pledges all contribute to the social life of the Fuzzies.

**ΔZ**

The sisters of Delta Zeta not only hosted a party for the Faith Workshop, but also contributed toys to the children in Charleston General Hospital at Christmas. The DZ's participated in the Muscular Dystrophy drive with other fraternal organizations at the College and ushered for the Blackfriars' production of "Dark of the Moon." Popcorn and pizza sales were conducted in Dickinson Hall to raise extra funds for the sorority's projects. Together with the Delta Zeta chapter at Tech the sisters held the annual Founders' Day tea. The most important event of the year for the sisterhood was hostessing the two day state convention in Charleston during April for all Delta Zetas in West Virginia.

## Inter-Fraternity Council

Overseeing the activities of all the fraternities on campus is the job of the Inter-Fraternity Council. Representatives from each fraternity on the council strive to foster better relationships as well as decide governing policies for fraternal functions at Morris Harvey. # AΣΦ

A special Christmas party for the children's ward at Charleston Memorial Hospital with gifts and Santa Claus included was one of several Alpha Sig projects this year. The Sigs also served by maintaining grounds at Union Mission and tutoring children at the Kennedy Center for whom they raised additional funds by means of a candy sale. The traditional fall weekend, Black and White Formal, Valentine's Dance and Sweetheart Weekend as well as numerous informal gatherings were listed on the Sig social calendar. The Alpha Sigs received the trophy for most original float at Homecoming and took firsts in football and basketball intramurals. Besides service to the community of Charleston, the Sig Eps had a full social activities calendar throughout the year. Changing the art exhibits at the Art Gallery at Sunrise, working on Blackwell Athletic Field and participating in the Blood Drive were just a few of the service projects of the brothers of Sigma Phi Epsilon carried out. The women's auxiliary, Golden Hearts, also served the community with the brothers. The Sig Eps captured the Best Float Award at Homecoming and in turn gave out the Ashby C. Blackwell Soccer Award and the Mark P. Robinson Brother of the Year Award. Listed as social functions for the year were the Founder's Day banquet, the Wine, Women and SPE's dance, the Sweetheart Ball, the Hell's Angels party, picnics and a weekend of functions in conjunction with the Sig Eps at Marshall University.

# TKE

The brothers of Tau Kappa Epsilon initiated the year with their annual retreat to Galahad and chose Mary Conticchio Playmate for 1968-69. The TKE's produce a play at Christmas to entertain area underprivileged children and received international recognition for their participation in the public service weekend. Grand Hegemon Dr. William Muse paid the chapter a visit during Founder's Day celebrations. Together with the TKE's of Fairmont the brothers hosted a dance during the WVIAC Tournament. The largest service project undertaken by the TKE's was that of redecorating the center for Alcoholics Anonymous, as the pledges were put at the disposal of faculty members for service to the College. Elaine Dartley was chosen TKE Sweetheart at the Christmas dance and the traditional Bunny Hop, Mountaineer Blast and Red Carnation Ball were held.

A dream realized! The completion of the new Physical Education Building brought new activity to MHC. The swimming pool led to the creation of our own varsity swim team, while students explored the varied facilities available for their use. Archery, paddle ball, handball and the weight room all contributed to keeping students fit. The renovation of the old cafeteria into a boathouse along with the arrival of several shells and MHC's own dock promise an exciting future for crew racing on the Kanawha.

A loss to Marietta on the road and a fifth place finish at the Wheeling conference tournament still gave MHC the best single round with a score of 294. Highlights of the year were a 68 turned in by Byard against State. The excellent play of the whole team on the final day at Wheeling was aided by Ciancio's hole-in-one and Dennis's 249 total as he won the tournament medal.

Golfers at MHC include T. Dennis, F. Ciancio, J. Eaton, F. Byard, L. Peck, and Coach W. Robinette.

# CROSS-COUNTRY

Success was enjoyed by the Blackfriars from their first production in October until their last in the spring. "Heat Lightning," starring Steve Strickland, Mary Lou Milam and Mike Jones left the audience clinging to their seats but the soothing words of Rod McKuen relaxed listeners during the Reader's Theatre. Charlie Brown's performance in "Royal Gambit" gave MHC its answer to Henry the Eighth, while Dianna Wilkinson portrayed the legendary Barbara Allen in "Dark of the Moon."

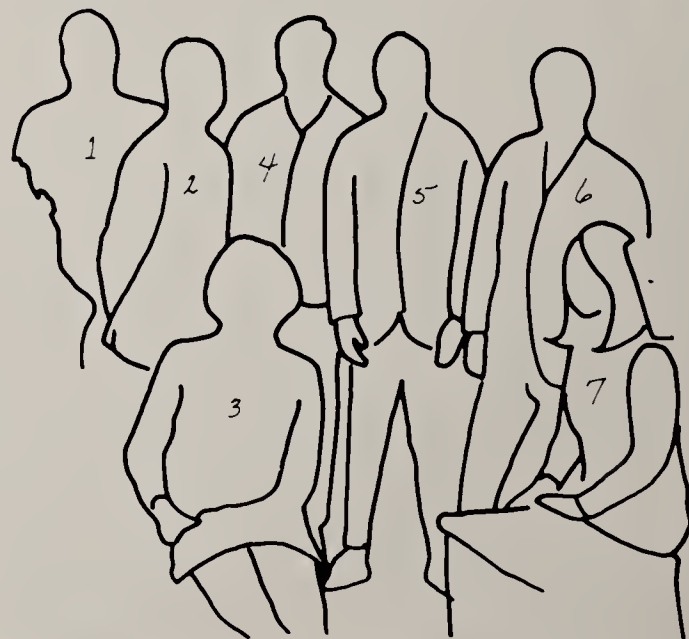

## Comet Question: What Color Next?

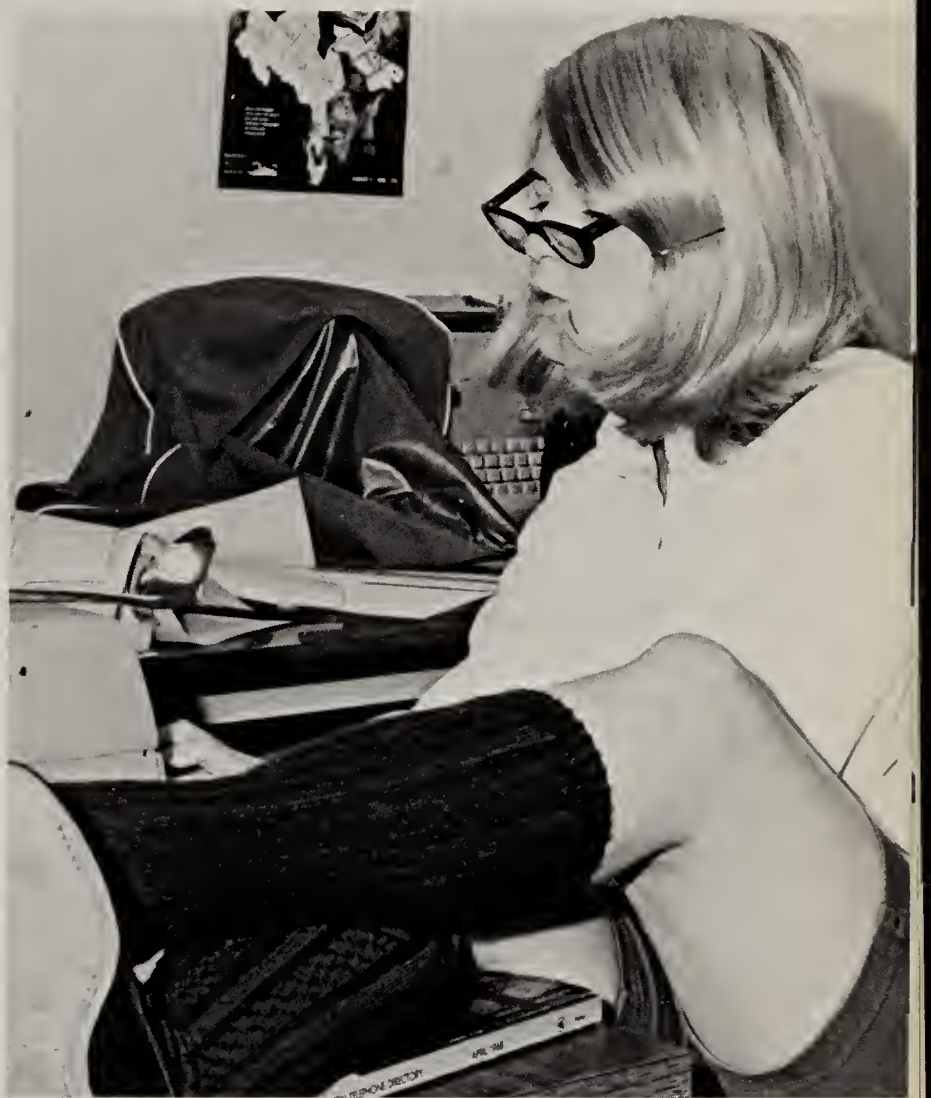

In addition to enlarging the staff, this year's COMET received a new look which included a new nameplate and color-inked issues which left students guessing which color would be next. ## Moshavim Celebrates Chanukah With Dinner

Highlighting the year for the Jewish students at M.H.C. was a dinner at Chanukah to celebrate the holiday. Bagel and lox brunches were regularly scheduled throughout the year as students enjoyed the hospitality of the community and temple. The Moshavim also featured films on Israel and Jewish holidays and customs in its attempt to foster Jewish belief, culture and heritage.

## Art Guild Holds Sidewalk Sale

A sidewalk art sale in the spring of student works was held at Moore's by the Art Guild. Members redecorated the art rooms in the fall, toured Blenko and Henry Elden's round house, and sponsored several exhibits in the Art Gallery of the Geary Student Union featuring reproductions, cartoons and student works.

# SGA Achieves Successful Year

Among the first SGA movements this year was the assured placing of students on every committee at the College. SGA officers welcomed freshmen in the fall and later chose Candy Bongard and John McChesney as most typical. Homecoming found the SGA at the airport to greet Anthony and the Imperials. The first of two variety shows featured a psychedelic film as well as competition in song, dance and comedy. The sad tale of Mo

Ham kingdom was related at the second entertaining variety show in the spring. The SGA also moved to increase the student activity fee for the provision of three concerts in 1969-70. Under SGA auspices students will be able to rate professors and classes this fall. Awards and May Day also met with success as the year closed at MHC.

Finals, commencement speaker Holt, a visit from SDS leader Danny Stewart, the dedication of the Physical Education Building, a discussion with President Buckalew following a weekend of pandemonium and packing to leave all summarize end of the year events.

Three years ago I watched my first sunset at Morris Harvey College and now I've also watched my last. In the three years since I've been editor of the *Harveyan* I've seen many changes take place—changes in administration, changes in the student body and changes in the physical aspect of the campus. These changes have been both good and bad, but no matter what has passed the sun has always shown through.

I'm forever indebted to Mrs. Jo Blackwood who advised the *Harveyan* for 2½ years while I was editor; to Ted Bachman who taught me to take photographs when it became necessary; to this year's photographer, Larry McGraw, whose photography is superb in every way and interprets everything I wanted to say; to Mrs. Linda Schulte who has been most encouraging; to Dean Young, Marilyn Orrill and to my friends who have tolerated my many moods regarding the yearbook and have encouraged me in the times of despair. I especially owe a breath of thanks to my right arm for three years, Patty Neger, without whose help and encouragement the *Harveyan* could not be.

This year's *Harveyan* is dedicated to the memory of William J. Briggs, Jr., who was my friend and yours. The *Harveyan* is also dedicated to you, the students of Morris Harvey, that you will long remember the sun that rose and set on your years spent here.

*Mila*
